I didn't know you
Who am I supposed to belong to
Fire hoops that I jump through
What if it burns me out
I need a breakthrough
For everything else I can undo
Rust in the brain like an old screw
Spinning myself through doubt

'Cause all there is to
Is listen to the things their mouths spew
Feeling all the while there's too few
People who'll get it like them

She always spoke true
Saying that "I wouldn't miss you"
Can't turn it off but I want to
Get it right outta my head

Breathe Out ... Hold her
Read Out ... Over
Breathe Out ... Hold Her
Breathe Out

Breathe Out ... Hold her
Read Out ... Over
Breathe Out ... Hold Her
Breathe Out

Ordinary fear is in their ordinary worries
Ordinary courage can be hard to summon always
She can make it all so easy
She can open up until you
See what's coming after
See what's coming after

Breathe Out ... Hold her
Read Out ... Over
Breathe Out ... Hold Her
Breathe Out

Breathe Out ... Hold her

Read Out ... Over
Breathe Out ... Hold Her
Read Out
