Mmmmmmm
You came, you're here
You're making up all that you fear
The reason it's dark
Is you closed your eyes
You're imagining
But you don't realize it

Your own arms around you,
Back just the way that I found you
You don't have to guess
What i think anymore
I'll make it easy
I'll find the door

I hope this reaches you in time
Mmmmm

It's just, like you said
We're born then undone and then dead
So what you gonna do
The rest of your days
Find some order in the disarray

And I hope this reaches you in time... yes
I hope this eases your mind

Yeah oohh yeah.

Baby i know, this has to be
No, not for you but for me
So that i know i was the only one
Who gave you space to breathe

I hope this reaches you in time... hope it does
And i hope this eases your mind yes..

And i hope this reaches you in time...
And i hope this eases your mind.

Oohhhhhooooohhhohhho

Maybe if you breathe
Gonna give you up space to breathe
You and me baby
Wont' have to deal with the pain no more
Said I
Said I
