Mary, Mary what've you found
While you was making all them sounds
Mary, Mary, what'd you see
Tell me baby did he look like me, yeah
Mary, Mary well I'm all alone
Just like you or so I'm told, yeah
Mary, Mary what've you found
While you were lying all around my town, yeah yeah

Mary, Mary, yeah
You say you want a man like me
To take you places baby that you've never been
That you've never been

Mary, Mary well make it clear
Tell me so you know I hear
Mary, Mary well tell this truth
Am I walking some other man's shoes
Mary, Mary now I'm all alone
Just like you I'm so far from my home
Mary, Mary well what've you found
Since you's lying all around this town
Yes you were

Mary, Mary, yeah
You say you want a man like me, yeah
To take you places baby that you've never been
Mary, Mary

Ohhh Mary

Yeah, yeah

Yeah, yeah

Mary, Mary, yeah
You say you want a man like me
To take you places baby that you've never been
That you've never
That you never never been yeah

Mary, Mary

You say you want a man like me, yeah
To take you places baby that you've never been
That you've never
That you never never been
