When I walk outside on the middle of the rain
When I watch the sun come out again
When I feel warm sunlight over my face
Woman it feels like you, you
Yes it feels like you, you
And everything else is crazy

I'm up in the kitchen singing
Mama's out in the backyard
Daddy's downstairs diggin' a grave
I'm up in the kitchen singing
Mama's out in the backyard
Daddy's downstairs diggin' a grave

When I walk outside of my window pane
When I watch the moon rise over my place
When I feel night blood running through my veins

Woman it feels like you, you
Yes it feels like you, you
And everything else is crazy

I'm up in the kitchen singing
Mama's out in the backyard
Daddy's downstairs diggin' a grave
I'm up in the kitchen singing
Mama's out in the backyard
Daddy's downstairs diggin' a grave

I'm up to my neck Oh Lord,
Mama's working too hard
Daddy isn't getting paid
I'm up to my neck Oh Lord,
Mama's working too hard
Daddy isn't getting paid
