(Master P Talking)

Yo Silkk and C-Murder just remember as brothers blood  
is thicker than water  
and can't no man women or object infiltrate this family

(O'Dell)

When my TRU Homies call me I'll be there  
When my TRU Homies need me I'll be there

Verse 1 (C-Murder)

Damn it feels good to be TRU, thats why  
I gotta represent the tattoo  
We roll deep when we creep in the streets  
And stay strapped just like the police  
No Limit or should I say the army  
I feel like can't a damn thing harm me  
You don't want to go to war with a soldier  
Cuz TRU villains throw nothing but boulders  
My click assist of hard hitters  
A bunch of use to be thug villains  
And nobody don't mess with nam' one of us  
Cuz we make alot of bustas run from us.  
Ain't no such thing as a fist fight  
You getting jumped, so you better have your mind right  
Give me a call, when it's time to bang up  
And I'm there, before the phone hang up

(Chorus) O'Dell

When my TRU homies call me, I'll be there  
When my TRU homies need me, I'll be there  
When my TRU Homies call me, I'll be there  
I'll be around

Verse 2 (Master P)

I knew one day, my time was coming  
But my whole world changed when I put TRU on my  
stomach  
And (nigga) TRU stand for keeping it real  
And thats why we ride for our homies when our people  
are killed  
I love my momma and my daddy for planting my seed  
But me and my homies reminisce over Hennesy and  
(weed)  
And all my loved ones lost trying to hustle and bang  
I make RIP songs just remember your name  
And now Kevin you a legend  
Even though It send chills up my body, see TRU up in  
heaven  
No Limit is my life I love my job  
Thats why I roll with TRU homies like Jimmy and Boz  
And TRU is the tank  
And me and Silkk and C-Murder we the links  
I love my brothers over (bitches) and some bank  
And when if need me, I'm there for ya blank

(Chorus)

Verse 3 (Silkk)

So I'm there when y'all need me. Anytime, now look  
For my TRU soldiers, I put nothing in front of y'all  
If something jump off, I'm jumping in front of y'all  
Ya' know what, they bet not touch none of y'all  
Cuz everybody gotta go, even if they touch just one of  
y'all  
They say Silkk you might die, but thats my call  
Wrong or right, they right cuz thats my dawgs  
Thug living, living like sort of like a menace  
Form with ex-cons, people on bonds waiting to get  
sentenced  
You know what I'm saying  
And I ride with this TRU click  
It's No Limit for life, look ain't nothing after this  
And damn it feels good to be a soldier  
I roll with (niggas) like C and P  
???  
Y'all my brothers when we fuss, I let ya'll win  
Wouldn't trade y'all life for ten million so I couldn't fight  
over ten  
TRU tattoos and tanks just Boz and V  
Just two a few thats down to ride wit' me  
I know y'all want to let me see y'all doing it on y'all own  
But if ya fall never hesitate to call me on the phone

(Chours) till fade
