Arleen was a G what a G  
Arleen was a G what a G  
Arleen was a G what a G  
Arleen was a G what a G  
Life was a thing that money could buy  
Rich would live and the poor would die  
Life was thing that money could buy  
Rich would live and the poor would die  
Arleen was a dream what a G  
Arleen was a dream what a G  
Arleen was a dream what a G  
Arleen was a dream what a G  
Arleen was a dream  
What a G what a G  
Lean sideway  
Woke up in the morning about 10:13  
Six pack of stout a stick of sensi  
Woke up this morning what do I see  
No no no, it's not like it, like it  
Arleen was a dream what a G  
Arleen was a dream what a G  
Arleen was a dream what a G  
Arleen was a dream what a G  
{PANIC!}  
Why does a rich man drink champagne?  
Drink half a beer feel all the same  
Life was a thing that money could buy  
Rich would live and the poor would die  
El Nino!  
Electricity out, mine's out  
Cat's been out for days  
Hear it hollering on the trees over the sky  
Lord Lord Lord Lord!  
Can't stand it, no  
Can't stand it, no  
No no no I can't stand it, no  
No no no I can't stand it, no  
Life was a thing that money could buy  
Rich would live and the poor would die  
Why does a rich man drink champagne  
Drink half a beer feel all the same  
Woke up this morning

Woke up this morning about 10:13  
Six pack of stout a stick of sensi  
Go in the kitchen what do I see  
No electricity  
No TV  
No Andy  
I got my uncle (???)  
Watch a whole hour of goodness and old time black  
and white  
Loving that Barney boy  
Lord!  
Can't stand it, no  
No no no I can't stand it, no  
No no no I can't stand it, no  
No no no I can't stand it, no  
Arleen was a dream what a G  
Arleen was a dream what a G  
Arleen was a dream what a G  
Arleen was a dream what a G  
Arleen was a dream what a G
