Bear gone fishin', mermaids missin'
Got to get to the bottom of this
Kissin' the wound from the captain's harpoon
Unexpected moment of bliss
Loss is closer, tip of exposure
It's sunny at the edge of the sea
Baby knows what she really wants
She get the most of make believe

Spy vs. Spy, baby's a freak show
Line forms just to the right of your keyhole

Follow and cruisin', ain't it amusin'
Hair hardly moves in the breeze
Baby gets restless, breaks out of fortress
Soon there'll be somethin' to see
Forces close her, glimpse of exposure
It's sunny at the edge of the sea
Baby knows what she really wants
She makes the most of make believe

Spy vs. Spy, baby's a freak show
Lines form just to the right of your keyhole
Eyes from the paintings seem to follow
Mirrors cap both ends of your telescope.

Ah, shucks
Sweet
Petite

Spy vs. Spy

Spy vs. Spy, baby's a freak show
Lines form just to the right of your keyhole
Eyes from the paintings seem to follow
Mirrors cap both ends of your telescope.
