Like a Big Woolly Mammoth
You gotta wear that coat
Like his big brother Joseph
Yeah, walkin' in the desert sand
Like a doughboy in the trenches
You gotta lay down low
Like a Big Woolly Mammoth
You gotta wear that coat
You ain't got time to worry 'bout mass extinction
Just try and get along with the human beings
Big Woolly Mammoth gonna wear that coat
In the middle of the summertime
You got a woman in the city
She got a brand new coat
Sometimes I feel like an evolutionary reject
Yeah, livin' in a high-tech world
Like a cool armadillo
You gotta lay down low
Like the Big Woolly Mammoth
You gotta wear that coat
You ain't got time to worry 'bout mass extinction
Just try and get along with the human beings
Big Woolly Mammoth gonna wear that coat
In the middle of the summertime
Another ice age is comin'
You better wear your coat
Somebody throw me a fire
So we can burn this city down
Like a doughboy in the trenches
You gotta lay down low
Like the Big Woolly Mammoth
You gotta wear that coat
Everybody needs some weapons of mass destruction
Gonna kill you with a virus or a dose of radiation
Like a Big Woolly Mammoth gonna wear that coat
In the middle of the summertime
