[** with John Keane on backup vocals:]

Settle in, there's a paradise found*
Oh, keep your shiny side up and your Dirty Side Down

Climb aboard - climb aboard, It's a whisper
Climb aboard - climb aboard, remember
Catch this ride, catch this ride

Set your course - Oh and take it in stride
Sometimes the simplest truth's look simpler outside

Climb aboard - climb aboard, listen a whisper
Climb aboard - climb aboard, remember

Fly,
Fly

Carved in the mountainside, over time, slowly
Stories told and no one lies, whispers in the old tree
Catch this ride

Settle in, there's a paradise found
Oh, keep your shiny side up your Dirty Side Down

Climb aboard - climb aboard, listen whisper
Climb aboard - climb aboard, remember
Catch this ride, catch this ride

Fly,
Fly

Carved in the mountainside, over time, slowly
Stories told and no one lies, whispers in the old tree
