Don't wanna lose you right now
Don't wanna lose you
Don't wanna lose you right now
Don't wanna lose you

You know, I can't see straight
And I'm feelin' dizzy

I can't feel my face
Against the hard wood floor

I'm gonna tell you right now
I guess our very last day
I'm afraid for my life
'Cause I would lose you

Don't wanna lose you right now
Don't wanna lose you
Don't wanna lose you right now
Don't wanna lose you

I had dreams last night
While you still were sleeping
I can see my faith
Runnin' out the backdoor
I'm going to tell you right now
Like it's the very last day

And I'm afraid for my life
'Cause I will lose you

Don't wanna lose you right now
Don't wanna lose you
Don't wanna lose you right now
Don't wanna lose you

I'm gonna tell you right now
I guess our very last day
I'm afraid for my life
'Cause I would lose you

Don't wanna lose you right now

Don't wanna lose you
Don't wanna lose you right now
Don't wanna lose you
