So long, baby since you've been gone
I'm a dyin' man, I'm a dyin' man
Don't ever tell a dyin' man
You never meant to shoot him down
Yeah, don't do no good to tell a dyin' man
You never meant to shoot him down
Now, all my friends and relatives, they've been tellin'
me
Don't come around, don't come around, don't come
around no more
Ever since the day you left this Earth
Can't keep a job, can't keep a job
Yeah, ever since the day you left this Earth
Can't keep a job, can't keep a job
A lot of people down at the agency been tellin' me
Don't come around, don't come around, don't come
around no more
So long, baby since you've been gone
I'm a dyin' man, I'm a dyin' man
So long, baby since you've been gone
I'm a dyin' man, I'm a dyin' man
Don't ever tell a dyin' man
You never meant to shoot him down
Yeah, don't do no good to tell a dyin' man
You never meant to shoot him down
Now, all my friends and relatives, they've been tellin'
me
Don't come around, don't come around, don't come
around no more
I'm a dyin' man, I'm a dyin' man
I'm a dyin' man, I'm a dyin' man
I'm a dyin' man, I'm a dyin' man
