And we're rolling down the windows for this ride
And there's not much time to take things slow
We will turn our heads into the sunrise
As the storms rage in the west
And we're goin' down to see my lady luck
Now I'm not really interested in telling you my mind
Just let me drag another before for you go, I'm a
broken wire
Yeah, nobody knows where to find us cause it ain't
nobody's loss
And I can't decide if this place is make believe
And worked all my life to turn sleet to snow
We will turn our heads into the sunset
As the storms rage in the east
And we're goin' down to see my lady luck
Now I'm not really interested in telling you my mind
Just let me drag another before for you go, I'm a
broken wire
Yeah, nobody knows where to find us cause it ain't
nobody's loss
Well, it's nobody's loss
Nobody's loss
Nobody's loss
Nobody's loss
