Well, I can't sleep, I've been up all night
Laughin' in Savannah with the Bay Street moon
By the wet smell of sulfur from the cobblestones
I've been up all night, been up all night

Well, I dream of heaven, and I feel like hell
The children in their church clothes
Sunday mornin' bells, my head is spinnin'
They're taking their toll
Been up all night, been up all night

Up all night, been up all night

Been up all night, oh, been up all night

And the best thing about New Years is the Christmas
lights
Hiding in the day, exposed at night
Sunrise in my sunset, the Georgia sky
I've been up all night

We've been out all night
Oh, I've been out all night
Up all night , hey
We've up all night, been up all night
Oh, been up all night
