Worry 'bout my worries
Lately all I seem to do
Worry 'bout my worries
Lately all I seem to do
One day I'm gonna get better, babe
Then I'm gonna take a little time to worry
All about you
Bad moves of a lifetime
Moving back to trouble me
Bad moves of a lifetime
Moving back to trouble me
Will consequence keep me waiting
Or this time, will my anger set me free?
My cats hanging on the wall
My clocks are roaming about
I like to keep my feet warm
But the fire keeps going out
I've been waiting on good times for so long
I hope them good times ain't long gone
Big, black car keep on driving by
Twice a day stopping at my door
Winter girls dressed for springtime
I know they're trouble for sure
I've been waiting on good times for so long
Hope them good times aren't long gone
Worry 'bout my worries
Lately all I seem to do
Worry 'bout my worries
Lately all I seem to do
I know I'm gonna get better, babe
Then I'm gonna take a little time to worry
All about you
All about you
All about you
All about you
