One Friday, little Emmitt reached his limit

School was wack, he wasn't with it

His man told him, that he could make some dough

Deliverin packages, for Mac Money Joe

so he said, "Cool.. yo I need a hustle

Yo hook me up, plus I need a pistol or

a .380, a two-two or a .25

I'm gonna get large kid, I'm all the way live"

But he was sadly mistaken

Now he's locked up, he's doin time and he's thinkin

Sights in the city got people cryin..

Sights in the city got people dyin..

In the city..

One Saturday, sweet Renee ran away

Couldn't take moms yellin, didn't wanna stay

Her girl told her, that she could get quick cash

Goin on dates, for Pimp Daddy Nash

She said, "Well I don't know, I gotta meet him

You say he's fly, mmm? I gotta see him"

The next thing you know she's out late nights

Makin dollars for Nash, wearin her skirts tight

Now she's a victim of the system

Man what happened to her dreams, and her ambition?

Old Mr. Fillmore, he owns a grocery store  
It's a small little shop, the children call him Pop  
But of course he keeps a shotgun  
just for protection, cause he's got a little grandson  
On Sunday, while he was there cleanin  
He heard the front door slam, a lady screamin  
He grabbed the shottie and walked out from the back  
All he saw was two kids, wearin black ski masks  
He fired, they fired, all at the same time  
Now there's a funeral on Wednesay, a quarter to nine

Sights in the city got people cryin..  
Sights in the city got people dyin..  
In the city.. in the city.. in the city..  
In the city! In the city.. in the city..

In the city! In the city!

Many sights and sounds in the city, knahmsayin?  
People dyin, innocent victims  
The babies ain't got no future  
What are we gon' do? Brothers can't make a buck  
Mmm, just some of the sights and sounds, that's all  
Gues I'm just gonna get mine
