(4x)

[Verse 1]

PT, baby

If it was a fifth we'd all get fucked up

These pussy niggaz got the game twist up

Cause everybody hard, everybody real

Everybody ballin, everybody kill

Everybody slick, everybody smooth

Everybody packin, what the fuck them niggaz gon' do

Everybody pimpin, everybody mob

Everybody bout to get motherfuckin robbed

These niggaz got the wrong one, pistol whippin a big gun

Extra clip with an attitude, what the fuck am I dog food?

Bite the hand that feeds me cause I dont need these

Cracker mother fuckers that I alway see constantly

Try and compare me to, fuck nigga do what you do

I'm the original, multi-dimensional

But these ol pussy boys want to be pastor troy

Bout to get blast on (?) fuckin mask on

[Chorus]

[Verse 2]

Everybody wanna put violence in they rhyme

They love 50 cent cause he got shot nine times

But what about me? I done shot nine motherfuckers!

Left a nigga in his yard for his mother
I shot the brother, I shot the aunt
I fucked the sister, I smoked a blunt
I'm on a hunt for Red October
Leave them niggaz bleedin blood out them Range
Rovers
Until its over, you know that I'm gunning
We looking for niggaz thats frontin and stuntin
My nigga imma be dumpin some shit (?) Russia
Some shit that I got runs deep, gonna hush ya, nigga

[Chorus]
