"No Time For A Tango"

Visit "[No Time For A Tango](#)" on MotoLyrics.com

It's too late
there's no time for a tango
you have to go home
not even time for some love
oh
my husband will come
besides
I have a lumbago
from dancin' too long
and I have to do a mambo with my man.

There's no time for a tango
my man he is there
he's peepin' right through the window
you better take care
he jumps around like a jojo
now run if you can
now it's time to do a tango
with my man.

So hard to give you all my love (shame on you
shame on you)
'cause my man is takin' all I've got(it's not true
it's not true)
don't wanna be wicked
you dig it.
Don't wanna trick him.
but Tango I can give enough.

No
no
no time for a tango
you have to go home
...

So hard to give you all my love

no
no
no
no time for a tango

...

It's too late
