light, ladies come on come on
Put em' up, put em' up
Random (haha)

Here to let you know (here to let you know)
Exactly what you need (exactly what you need)
Love and honesty
Trust monogemy
Is that too much to ask
oh....

My girl, knows what she wants and I'm at the heart of
her world
My girl, she don't mess around (she don't mess
around)
My girl, she locks the door when I'm out to work with my
hands
My girl, turns of the phone when we're alone
That's my girl

All the single ladies if your feelin' what I'm saying
Put your hands up (hey)
Put your hands up (oh)
Gotta make it easy for the fella single ladies
Put your hands up (hey)
Put your hands up (oh)

First two don't wanna take you there (don't wanna take
you there)
We don't mean to stare (we don't mean to stare)
So ladies, exclusive love is all we need
So let me tell you what you gotta have

My girl, knows what she wants and I'm at the heart of
her world
My girl, she don't mess around (she don't mess
around)
My girl, she locks the door when I'm out to work with my
hands
My girl, turns of the phone when we're alone
That's my girl

All the single ladies if your feelin' what I'm saying
Put your hands up (hey)
Put your hands up (oh)
Gotta make it easy for the fella single ladies
Put your hands up (hey)
Put your hands up (oh)

Now it's time for me and you
To do the things that we have always wanted
Now it's time for me and you
To do the things that we have always wanted

All the single ladies if your feelin' what I'm saying
Put your hands up (hey)
Put your hands up (oh)
Gotta make it easy for the fella single ladies
Put your hands up (hey)
Put your hands up (oh)

All the single ladies if your feelin' what I'm saying
Put your hands up (hey)
Put your hands up (oh)
Gotta make it easy for the fella single ladies
Put your hands up (hey)
Put your hands up (oh)

Now it's time for me and you
To do the things that we have always wanted
Now it's time for me and you
To do the things that we have always wanted

All the single ladies
Ladies put em' up, put em' up
All the single ladies
