"Borders & Time"

I think of you all the time,
I pay for my sins,
The heartache begins.
I can't free you from my mind,
It seems so these days,
I've tried every way.

You have drifted so far from me,
The winds of change,
Have swept you away.
Night and day it seems like eternity,
Borders and time have kept you from me.

(Chorus)
Blue are the ocean waters,
Along a lover's shoreline.
You will not be forgotten,
But now that you've gone,
The heartache lives on.

A warm breeze blows over a gentle sea,
The summer is near,
The heartache is here.
The fiddler plays an old time melody,
The tune is the same,
Change the faces and names.

Repeat Chorus 2x
