Now after all this time your standing at my door
Just when I cleared my mind your coming back for
more
Well it doesn't work that way you see I'm over you
And now, there's nothin left to say just find someone
new

40 days and 40 nights the rain came pouring down
40 day and 40 nights no dry land to be found
Torrents of rushing water, birds in endless flight
Your nowhere to found, 40 days and nights

Oh I, remember when everything was fine
When I look back again they were such happy times
But you, had to go and change made everybody blue
Now the stories been rearranged so find someone new

40 days and 40 nights the rain came pouring down
40 day and 40 nights no dry land to be found
Torrents of rushing water, birds in endless flight
Your nowhere to found, 40 days and nights

Well I gotta go, see I'm real short of time
It would be nice I know, but see I've read between the
lines

And hey, don't you look so sad it wasn't easy for me
too
And worry, it's not that bad to find someone new

40 days and 40 nights the rain came pouring down
40 day and 40 nights no dry land to be found
Torrents of rushing water, birds in endless flight
Your nowhere to found, 40 days and nights
