Brave the lonesome wind
Sail the cold deep water
Brave the lonesome wind
Sail the cold deep water

The wind will see them home
The sea will do no harm
Turn that boat around
Wait the sons and the daughter

Long time gone, nothing's lost, forgotten
Turn that boat around

There's plenty there for all
Break open the doors and hatches
Avoid the rocks and squalls
Fill the hold with catches

The wind will see them home
The sea will do no harm
Turn that boat around
Wait the bonnie lassies

Long time gone, nothing's lost, forgotten
Turn that boat around

The wind will see them home
The sea will do no harm
Turn that boat around
Wait the bonnie lassies

Long time gone, nothing's lost, forgotten
Turn that boat around

The wind will see them home
The sea will do no harm
Turn that boat around
Wait the bonnie lassies

Long time gone, nothing's lost, forgotten
Turn that boat around

The wind will see them home
The sea will do no harm
Turn that boat around
Wait the bonnie lassies

Turn that boat around
Turn that boat around
