I never seen you looking so bad my funky one
You tell me that your superfine mind has come undone
CHORUS:

Any major dude with half a heart surely will tell you my
friend

Any minor world that breaks apart falls together again
When the demon is at your door

In the morning it won't be there no more
Any major dude will tell you

Have you ever seen a squonk's tears? Well, look at
mine

The people on the street have all seen better times

CHORUS

I can tell you all I know, the where to go, the what to do
You can try to run but you can't hide from what's inside
of you

CHORUS
