Got a box full of letters,  
Some things that you might like to see,  
But they're all addressed to me

Think you might like to read  
Wish I had a lotta answers,  
'Cause that's the way it should be  
For all these questions,  
Being directed at me  
I just can't find the time

To write my mind  
The way I want it to read  
You'll come back again

And I'll still be your friend

I got a lot of your records,  
In a separate stack  
I wish I had a lotta answers,  
But I guess I'll give 'em back

Some things that I might like to hear,  
'Cause that's the way it should be  
Being directed at me  
All these questions

Just can't find the time  
To write my mind  
The way I want it to read

You'll come back again,  
I can't find the time

And I'll still be your friend  
The way I want it to read  
To write my mind

To write my mind  
Just can't find the time  
The way I want it to read
