If my friends should ask for me
Here at home is where I'll be
There's no one I care to see
I'm breaking in a brand new broken heart

Now the heartaches have begun
There's a job that must be done
I've no time for having fun
I'm breaking in a brand new broken heart

Oh, leave me alone and let me cry, cry, cry
There are tears that must be cried
Until there's no more tears inside

Let me take the count of ten
Then I'll bounce right back again
Let me be alone till then
I'm breaking in a brand new broken heart
I'm breaking in a brand new broken heart
