Found some letters you wrote me this morning
And they told of the love we once knew
Now they're gone I'd burned them to ashes
Don't want nothing to remind me of you

Burning bridges behind me
It's too late to turn back now
Burning bridges behind me
All I want is to forget you somehow

I sold the house that we once planned together
I said goodbye to all the friends that we knew
Then I moved to a faraway city
Tryin' so hard to forget about you

Burning bridges behind me
It's too late to turn back now
Burning bridges behind me
All I want is to forget you somehow
