Oh goody goody gumdrop go do a flip flop tear
another suckery blues
Goody goody gumdrop I think I heard a teardrop how
do you like good news

I thank you for callin' but I ain't fallin' I hope you'll find
another good home
I've been fine have a real good times and I got to like
livin' alone
So goody goody gumdrop...
[guitar - steel]
If you ever see me comin' I'm gonna be hummin' this
little ol' song for you
I ain't bitter just a real good flirter and when I am true
I'm true
So goody goody gumdrop...
Oh how do you like good news
