"Less Of Me"

Let me be a little kinder, let me be a little blinder
To the faults of those around me let me praise a little
more
Let me dream when I am weary just a little bit more
cheery
Think a little more of others and a little less of me

Let me be a little braver when temptation bids me
waver
Let me strive a little harder to be all that I should be
Let me be a little meeker with the brother that is weaker
Let me think more of my neighbor and a little less of
me

Let me be when I am weary just a little bit more cheery
Let me serve a little better those that I am striving for
Let me be a little meeker with the brother that is weaker
Think a little more of others and a little less of me
Let me be a little kinder, let me be a little blinder
Let me be a little kinder, let me be a little blinder
