"Medals For Mothers"

I dreamed mother walked up the heavenly stairs
And medals for mothers were given up there
They mentioned the million things mom did for me
Things I took for granted and never could see

If there's medals for mothers for all of the deeds they
have done
If there's medals for mothers, mama, you'll win
everyone

A medal of honor was pinned on her
There a medal for patience and kind loving care
A medal for duty she won up above
But the biggest of all was the one for her love

If there's medals
