Put it off until tomorrow, oh, oh, you've hurt me enough  
today  
You say our love is over that you have found another  
You say you're going away

But leave me tomorrow, oh, oh, you've hurt me enough  
today  
You've hurt me enough today I can't believe the words  
you say  
I must accept the fact you won't be coming back

So stay just one more day loneliness can't be far away  
Put it off until tomorrow, oh, oh, you've hurt me enough  
today

Put it off until tomorrow, oh, oh, you've hurt me enough  
today
