If you believe it won't be long till happiness is comin'  
your way  
Join and while we sing this song somethin' good'll  
happen today  
Somethin' good'll happen today somethin' good is  
comin' my way  
I woke with a grin the sun walked in somethin' good'll  
happen today

If you have love inside and out then it'll be a happier  
way  
Walk by fate don't ever doubt somethin' good'll happen  
today  
Somethin' good'll happen...  
[ piano - guitar ]  
A smile though you're out on your luck and things  
aren't goin' your way  
Helps to lift somebody up somethin' good'll happen  
today  
Somethin' good'll happen...  
Somethin' good'll happen today
