A little love that slowly grows and grows
Not one that comes and goes that's all I want from you
A sunny day with hopes up to the sky a kiss and no
goodbye
That's all I want from you
Don't let me down oh show me that you care
Remember when you give you also get your share
Don't let me down I have no time to wait
Tomorrow might not come when dreamers dream too
late
A little love that slowly grows and grows
Not one that comes and goes that's all I want from you
[violin]
Don't let me down...
