Wilburn Brothers
"Too Far Apart"

You came to meet me out on the line
You couldn't believe I was feeling fine
When I really needed you, you were gone;

So long
Right from the start
I couldn't be any closer to you now
Is it really punk rock, like the party line?

We were too far apart,
Do you have to think about that? Can I give you some
time?
'Cause when I really needed you, you were gone,
So long

We were too far apart,
Too far apart,

Right from the start
I couldn't be any closer to you now
Right from the start
And I couldn't be any closer to you now
