*"Puddin Tame" could be a euphemism of "poontang"

() = woman's line

Verse 1: Thrill Da Playa

Hey girlfriend, what's yo name? I've been watchin' you
all night long

And the way you move that Puddin Tame has really
turned me on

So get on the daaaaaance floor, and work it one mo'
gen

Push swang that Puddin Tame until the party end
I like when you grab dem hips, and move it down real
slow

Round and round with that grindin' motion, down to the
floor

I know the panties you wearin' helpin' that thang look
fine

It's got to be dem G-string 'cause I ain't seen no panty
line

For those of y'all who don't know, just what that Puddin
Tame mean,

It's that monkey, that kitty cat, that jumpin' jellybean,
baby.

Chorus (2x)

(What's your thing?) Puddin Tame. Ask me again, I'll
tell you the same.

(What's your thing?) Puddin Tame. Still the same, ain't
nothin' changed.

Bridge:

Some like it in a bowl, some like it on a stick
Some like they Puddin nice and thin, but then some like
it thick

No matter how you like it, I love my Puddin Tame
And if you ask me just one mo' gen, I'm still gon' say
the same, uh!

Verse 2: The Rottweiler

Yo, c'mon c'mon c'mon c'mon, jump, just gimme that

thang
Some say it's greed, but I just need that good ol'
Puddin Tame
Yo, and it ain't hard, and once you start, I won't let ya
stop
I want your bowl o' jello, baby; jus' gimme that Puddin-
Pop
Now understand if you got a man then, yo, I don't need
ya
But if you're alone and got it goin' on, jus' let me freak
ya
Now it's about time, I'm down with 6-9, and ain't no
shame in my game
Up and down, round and round, even doo-doo brown,
So jus' gimme that Puddin Tame! Uh!

Chorus

Verse 3: Thrill Da Playa

Baby, don't get me wrong; you shakin' dat booty to
death
And when I saw that Puddin Tame, I just couldn't help
myself!
The way you move that Puddin Tame got things all in
my head
It's 69, not TLC, and I Ain't 2 Proud 2 Beg!
There's somethin' 'bout that Puddin there
That's different from the others
That one there looks just like, it should be on an album
cover
And I don't discriminate, naw, I'm not that type of fella
As long as the Puddin's sweet, I like it chocolate or
vanilla
For those of y'all who don't know, just what that Puddin
Tame mean,
It's that monkey, baby, that kitty cat, that jumpin'
jellybean!
