(I wanna rock right now)  
ThenÂ your faced with the BEAT!, uh, uh  
(I wanna rock right now)Â uh, uh  
You're a little pushy Jeff  
(I wanna rock right now)

[Fresh Prince]

You wanna rock, Jeff lets do it a little somethin like this  
From the heart of West Philly, came my man named  
Jazz  
With mucho pizzaz and a razzmatazz  
He slice the wax, cut forward, cut back, right and exact  
You know the man ain't at all wack  
The magnificent movie astoundin  
The crowd goin loco, kick drum poundin  
People surroundin us checkin the concept  
Cuttin up a storm that's why the crowd is all wet  
Other DJ's standin around Jeff  
Tryin not to give up props to the worlds best  
Shakin his hands tryin to say that he can't flow  
Cause Jeff is a horse though that they all turn to  
A mellow kinda fellow but in the past he  
Been known to get a attitude and get right nasty  
Snatch the wax, it's a fact not a figment  
To get real and rip wheels its downright ignant  
And when he step off, toss the confetti  
He burn more wheels that Mario Andretti  
Jeff is there anythin left you wanna say to the crowd

[Break - Fresh Prince] (DJ Jazzy Jeff)

(I wanna rock right now) (\*said slow\*)  
Well get down now  
(I wanna rock right now) (\*scratched\*)  
what, what, say what, what

Yo Jeff lets go back to the old set for a second  
Yo Jeff (rock the beat)  
Come on, and yo Jeff (rock the beat)  
Come on, and yo Jeff (rock the beat)  
(Yo Jeff)  
Â  
[Fresh Prince] (DJ Jazzy Jeff)  
Yo he's movin the crowd like a cloud, you gotta get a  
loud  
Cause Jeff wants to (rock right now)  
Peep the boy get swift, he got the gift  
To lift, with just turntables and (rock) with  
After a battle and I watched Jeff win 'em  
He stomped the comp, he got cuts like venom  
Doper than dope, just cope the boys def, DJ J-a-zzy Jeff  
On stage gettin ill beside me  
Hands quicker than the eyes can see, G  
After he cut ya, notice smoke still lingers  
He let loose like Zeus with fire from his fingers  
You wanna (rock)  
Then I'm a let you (rock right now)  
HeyÂ yo Jeff gets down cause, he's superior, others  
inferior  
I rap a whole record to try to make it clear to you  
You don't get it still, I ain't gettin ill  
Jeff rip the wheels, show 'em the real deal  
Â  
[Fresh Prince - talking] (Jazzy Jeff - scratching)  
(rock)  
what?  
(rock)  
huh, go  
(rock)  
what huh  
(rock) (repeats)  
1,2,1,2,3,4  
hit it

[Outro - Fresh Prince - talking] (\*scratching of "rock"  
continues\*)

In the place to be, doin it old school style  
DJ Jazzy Jeff and the Fresh Prince about to break out  
Yo fellas lets go to the island, go to the island

himmina, humani, see, himina, humini, see,  
My DJ go by the name of Jazzy, little chest big tummy  
Watch the man rip the wheels and a  
It's almost if the things are real and a  
He's the manÂ you heard what I said  
He got a little glasses and a big forehead, HAHA

Jazzy Jeff and Fresh Prince for 1993, HA  
And we outta here

[\*talking in background and scratching continues until  
fade\*]
