I think that it's time that I should just let you go
So I'll tell it to your face instead of tell it to you on the
phone
You see I thought that you were special baby
something unique
But lately I've come to find
That you're not really interested in my heart or mind

That's alright
That's okay
You never loved me anyway
And I think it's time for you to just move on
That's alright
That's okay
I bet you never thought you'd hear me say
That I think it's time for you to find another dumb
blonde
Cause it's not me no no

Last night I went to a party hoping I'd see you there
And sure enough you were hanging on some other girl
playing with her hair
And I overheard you telling her the very same thing you
said to me the night
before
Hook line and sinker you were walking with her out the
door

That's alright
That's okay
You never loved me anyway
And I think it's time for you to just move on
That's alright
That's okay
I bet you never thought you'd hear me say
That I think it's time for you to find another dumb
blonde
Cause it's not me no no

You want just a little trophy hanging on your arm so all
the girls will see

you got it going on
But I see what you want so clearly
But baby baby that's
not alright with me

That's alright that's okay
I never loved you anyway
That's alright that's okay
You never loved me anyway
You never loved me

But it's alright but it's alright yeah yeah yeah
It's alright it's alright it's alright it's alright
Go ahead and find what you need
