"Alone"

Shakin' sugar from a sugar spoon
Peppermint tea afternoon
Alone, alone, alone

Taking a shower take another nap
Watching television take a bath
Alone, alone, alone

Feel like a book, but I just cant start it
Feel like a lover, brokenhearted
Look in the mirror at the face in the glass
Look like a question no one ever asks

Alone
Like I'm supposed to be
Lone lonely alone
Like I'm supposed to be

Go for a walk, go for a drive
Listen to the stereo stay inside
Alone, alone, alone

Feel like a book, but I just cant start it
Feel like a lover, brokenhearted
Look in the mirror at the face in the glass
Look like a question no one ever asks
Alone
Like I'm supposed to be
Lone lonely alone
Like I'm supposed to be

Shakin' sugar from a tablespoon
bitter black coffee underneath the moon
Alone, alone, alone

Feel like a book with a big ghost heart
I didn't finish, I didn't start it
Look in the mirror at the face in the glass
Look like a question no one ever asks

Alone
Like I'm supposed to be

Lone lonely alone
Like I'm supposed to be
