Don't you honey me honey bee  
A good time I'll set you free  
Don't be too nice too nice to me  
I've been stung and I've grown mean  
Honestly I know what you want  
And I can't satisfy you  
Honestly it hurts me too  
And I don't want to make you blue  
Make you blue  
I don't wanna make you blue  
Don't sit next to me in a tree  
K-I-S-S-I-N-G  
Who's that bouncing on your knee  
Could it be my baby bumble bee  
Who's that bouncing on your knee  
Give me back my baby bumble bee  
Honestly I know what you need  
And I just wanna be true  
I love you too  
And I don't wanna make you blue  
Make you blue  
I don't wanna make you blue
