I don't feel bad  
I don't feel lonely  
I'm just glad it's over

I don't need your love, I don't want it  
Heaven is up above  
And I'm upon it without you, without you

I don't want to kiss you again can you believe it?  
I don't want to be your friend  
I just want you out of my life until my life ends, oh yeah

I don't feel bad  
I don't feel lonely  
I'm just glad it's over

I know you think I'm weak, I'll tell you something  
It's better we don't speak  
I got nothing to say to you, anyway

I've said what I meant to put it mildly  
I hate you 100 per cent, I mean that kindly  
Oh you're not for me, not for me

I don't feel bad  
You're not the only one I ever had  
I don't feel sad  
I don't feel lonely  
Not even sorry  
I'm just glad it's over

I'm out playing with you  
You're just getting your dues  
Oh, it's true, it's true, I'm just glad it's over

Oh, I'm sorry, I ran, I didn't mean it  
Let's get back where we began  
Stop screaming, I want you back in my arms  
Everyday after today

Don't feel bad  
You know, I'm sorry

Just be glad it's over  
Don't feel sad  
We all have to be lonely  
Just be glad it's over  
I'm just glad it's over
