I got you and it's all I need  
I got you and it's all I need  
I got you and it's all I need  
I got you  
I got you and I still believe  
That you're all that I'll ever need  
It's you  
All  
All the way back in the seventies  
You were my little t.v. queen  
Y'er tarzan and friend Janine  
I got you  
I got you and I still believe  
That you're all that I'll ever need  
It's you  
All  
It's the end of the century  
I can't think of anything  
Except you  
It's the end of the century  
And I can't think of anything  
But you, all, all, I, need  
I got you  
I got you, babe  
I got you  
I got you  
I got you  
I got you
