Why I wonder
Is my heart full of holes?
And the feeling goes
But my hair keeps growing

Will I set the sun
On a big-wheeled wagon?
I'm bragging
I'm always in love

When I let go
Of your throat-sweet throttle
When I clean
The lash of your black-belt model

Will I catch the moon
Like a bird in a cage?
It's for you I swoon
I'm always in love

I don't get the connection
This is only a test
I hope, I do my best
You know, I won't forget

When I fold the cold
In my jet-lag palm
When I soak so long
I forget my mother

Will I set the sun
On a big-wheeled wagon?
Oh, I'm bragging
I'm always in love

It's a drag, I sang
Oh, I'm always in love
Oh, I'm worried
I'm always in love

I'm worried
I'm worried

I'm worried
I'm always in love
