Was I in your dreams, I'd like to know
Did I touch your hand and did it feel like snow?
Try to understand while I've got you on the phone

Did I hurt you like I know I can?
Tell me why you'd ever wanna leave your lovin' man
Try to understand, please try to understand

Was I in your dreams?
Was I in your dreams?

This dreamer died when his dreams died too
But I really mind if I dream about you
I can't say what any of that means

Oh, was I in your dreams, late last night
Did you hold your pillow, did you squeeze me tight?
I just wanna make everything all right

Was I in your dreams?
Was I in your dreams?
Was I?
