I know we don't talk much but you're but you're such a
good talker,

oh-whoa

Well I know we should take a walk but y'er such a fast
walker, oh-whoa,

well alright

I know where I'll be tonight, alright

Outta mind outta site

Well O.K., I know you don't love me but you'll still be
thinking of me,

oh-whoa

Well alright, I know you probably hate me, that's O.K.
with me, alright

Outta mind outta site

Outta mind outta site

You don't see me now

You don't want to anyhow

Look out, here I come again and I'm bringing my
friends

Look out, here I come again, I'm bringing my friends,
o.k. alright o.k.

alright

I know where I'll be tonight, alright

Outta mind outta site

Outta mind outta si-ite

Outta mind outta si-i-i-ite
