Visit "[Too Far Apart](#)" on [MotoLyrics.com](https://www.motolyrics.com)

You came to meet me out on the line  
You couldn't believe I was feeling fine  
When I really needed you, you were gone;  
So long

We were too far apart,  
Right from the start  
I couldn't be any closer to you now

Is it really punk rock, like the party line?  
Do you have to think about that? Can I give you some  
time?

'Cause when I really needed you, you were gone,  
So long

We were too far apart,  
Right from the start  
I couldn't be any closer to you now

Too far apart,  
Right from the start  
And I couldnt be any closer to you now
