Hey ?do it now ?yeah hey

Yeah, once I was a boogie singer playin' in a rock roll band  
I never had no problems, yeah ?burnin' down the one night stands  
And everything around me, yeah ?got to start to feelin' so low  
And I decided quicklyyes, I did?to disco down and check out the show

Yeah, they were dancin' and singin' and movin' to the groovin'  
And just when it hit me somebody turned around and shouted

Play that funky music white boy  
Play that funky music right  
Play that funky music white boy  
Lay down that boogie and play that funky music till you die  
(Hey,hey) till you die ?yeah, yeah

Well, I tried to understand this??Yeah, huh, I thought that they were out of  
Their minds  
How could I be so foolish,How could I?tonight's the hours, the one behind  
So still I kept on fightin'??Wow, loosin' every step of the way (Yeah, what'd you Do?)  
I said, I must go back thereGot to go backand check to see if things still  
The same

Yeah, they were dancin' and singin' and movin' to the groovin'  
And just when it hit me somebody turned around and shouted

Play that funky music white boy  
Play that funky music right

Play that funky music white boy  
Lay down that boogie and play that funky music till you  
die?  
Till you die??(Yeah) Wow, till you die

(Come on ?Play some electrified funky music)

Hey, wait a minuteNow first it wasn't easy changin' rock  
n' roll and minds  
And things were getting shaky??I thought I'd have to  
leave it behind  
Oh, but now its so much betterIt's so much betterI'm  
funkin out in ev-er-y  
Way  
But-I'll never lose that feelin'No I won't?Of how I  
learned my lesson that  
Day

When they were dancin' and singin' and movin' to the  
groovin'  
And just when it hit me somebody turned around and  
shouted

Play that funky music white boy  
Play that funky music right  
Play that funky music white boy  
Lay down that boogie and play that funky music till you  
die  
Till you die??oh, till you die

(They shouted, Play that funky music) Play that funky  
music  
(Play that funky music) Got to keep on??Play that funky
