You Are The One  
Whyte Shadow

Let me be yours tonight  
Hold me in your arms all night  
Leave the world far behind  
Take me high to your paradise

chorus  
You are the one I love  
You are the one I need  
You're the only one in my heart  
Baby come save me

The touch of your hand  
Can take all the pain away  
And the sound of your voice  
Heals my soul  
Forever I'm yours

chorus

Baby I love you  
And I can't live without you

I can't imagine how life would be without you  
You make the world complete  
You mean the world to me

chorus 2x

Come and save me...  
Cuz I want...  
To be your love
