High....

High...

High as the sky

Low...

Low as it goes

Purple dragons fly into your eyes

Milkshake shimmy cry and cry and cry

You're gonna don gon do it

You're gonna make me cry

You're gonna don gon do it

You're gonna make me fly

High...

High as the sky

Low...

Low as it goes

Words that cut, slash, rip and hypnotize

Why'd you say those things,

Why'd you lie?

You're gonna don gon do it

You're gonna make me cry

You're gonna don gon do it

You're gonna make fly

Hiiiiigh, Hiiiiigh

Knobs,

Knobs to turn

Love,

Love that burns

Paint over this broken hearted life

You are so fucked up...I wish you'd die

You're gonna don gon do it

You're gonna make me cry

You're gonna don gon do it

You're gonna make fly

Hiiiiigh...Hiiiiigh
