

Rapture, The "Heartbreaker"

Visit "[Heartbreaker](#)" on MotoLyrics.com

You ripped out my heart
You tore it apart
You lied to my face
You are a big disgrace

You are a heartbreaker
You are a heartbreaker
You are a heartbreaker
You are a heartbreaker

You said you loved me
You will never see
You should open your eyes
You all full of lies

You are a heartbreaker
You are a heartbreaker
You are a heartbreaker

You are a heartbreaker

You built up all my dreams
But you weren't all it seemed
Yeah you are a heartbreaker

You are a heartbreaker
You are a heartbreaker
You are a heartbreaker
You are a heartbreaker

You are a heartbreaker
You are a heartbreaker
You are a heartbreaker
You are a heartbreaker
