Assassination shocks a nation.
When such a brutal crime is killing Christmas time.
They capped the hero, under mistletoe
Unveiled the bitter sign, declared and left behind.

And no one wants to see it, 'cause no one can believe
it.
A traffic cop set some strangers free, assassination on
Christmas Eve.
And police and detectives were purely inaffecitve,
The D.A.'s resgination stands, assassination on
Christmas Eve.

And a traffic cop let some strangers get away.
And a traffic cop let some strangers get away.

Assassination shocks a nation.

They capped the hero, under mistletoe
Unveiled the bitter sign, declared and left behind.

And no one wants see it, 'cause no one can believe this.
The teenage revolutions planned assassination on
Christmas Eve.
And police and detctives were purely inaffective,
The D.A.'s resgination stands, assassination on

And a traffic cop let some strangers get away.
