Here we go again, y'all

Hi, everybody, this is
Archie Bell of The Drells again
And we got another dance
The kids in Houston are doing it
And it's called the Choo Choo

So I want everybody
To get on board now
Come on now, ha ha
Do that Choo Choo now

Oh, yeah, come on now
Do the Choo Choo
Do the Choo Choo
(Do the Choo Choo, baby)
Do the Choo Choo
Yeah, yeah, yeah

Get on board, baby
(Choo Choo, baby)

Hey, little girl
I wanna dance with you
But I don't wanna do the horse
Take my hand and I'll show you how
To do the dance that's really boss

Do the Choo Choo
Do the Choo Choo
Do the Choo Choo
Yeah, yeah, yeah
Choo choo now, baby
(Choo Choo, baby)

First you get in a big boss line
And hook up like a train on a track
When you hear me holler
Get on board, there won't
Be no turning back

Do the Choo Choo
(Do the Choo Choo, baby)
Do the Choo Choo
Do the Choo Choo
Yeah, yeah, yeah
Choo choo now, oh, yeah
(Choo Choo, baby)

Come on with that bass now
Oh, yeah, ha ha
All right, now let them drums
Fall in there, come on
You pull on in there now

Oh, yeah, we're gonna
Pull in the station now

Come on now, everybody
Get on board now, everybody

Choo Choo, baby
Choo Choo, baby

All right now, second stop
Is Philadelphia, alright now
Everybody get on board

Oh, yeah
Choo Choo, baby
Choo Choo, baby

The next stop will be
New York City now
Come on now, get on
Choo Choo, baby
Going on home now
Choo Choo, baby

Next stop is Houston, Texas
I want everybody to get on board
