Doomed to fall.
Smashing thier evil empire up
Against the wall.
All for one,
One for all.
Till there dumped in...

Freespace.
Secondhand freespace.
Kick the grand plan.
Steal the free space.
There's no fear when the meaning is clear.
What free space, free space.

Underachievers
Attack at your leisure.
Hoist up your guitars
And make them all believers.

Underachievers
Total domination.
Kill the billion years

And they're coming to steal your...

Freespace,
Secondhand freespace.
Kick the grand plan
Steal thier freespace.
There's no fear when the meaning is clear.
Freespace, freespace.

Underachievers
Attack at your leisure.
Hoisting guitars
And smoking all the reefer.

I'm an underachiever
Total domination
Kick a billion years
Of total frustration.

Underachievers
Attack at your leisure.
Hoist yourself
For intercontinental seizure.

Underachievers
Total domination
Kill a billion years
Of total frustration.
